ABOUT US

Pioneer of injection moulded
Food Packaging Containers

The foundation of Ace Packaging was laid to manufacture, distribute, and export premium food packaging containers. With a decade of experience, we offer our customers the finest, durable, and extensive quality products. **We have always gone the extra mile to ensure our products are made with the most advanced technologies using quality approved raw materials in line with the modern market standards.**

We are well equipped with the latest technological expertise, moulds, and automated packaging.

ONE OF THE LEADING FOOD PACKAGING CONTAINERS MANUFACTURES IN INDIA

Accomplished

With over a decade of experience in designing and manufacturing, you can rely on us to deliver quality products.

Certified

Our products and services have been certified by competent and reliable authorities to meet both domestic and global standards.

Sturdy & Recyclable

Our products are durable, dependable, and eco-friendly. They have been manufactured with the aim of reducing our carbon footprint.

WHY CHOOSE US ?

OUR MISSION

To pursue our commitment to continuous innovation in terms of manufacturing, technology, product design, and product quality for creating a wider market base of national and international clients.

OUR VISION

To achieve the highest level of standards in manufacturing for providing a unique range of food packaging solutions to our esteemed distributors, channel partners, and institutional customers.

OUR VALUES

To develop and maintain the bond and trust with our Channel Partners and focus on continuous evolution for the long-term sustainability of the company by focusing on the strengths to deliver the promises.

02 4 / 8 OZ SOUFFLE CUPS

Our 4/8 oz souffle cups are versatile and reliable portion containers designed to meet the needs of your food service business. Crafted from durable plastic, these cups can handle a variety of condiments, from savory sauces and dressings to delightful samples. They strike the right balance & big enough to hold ample dipping sauce but compact enough to fit inside any take out container. The clear construction allows your customers to see the delicious contents, making them ideal for showcasing sauces, dips, or even small add-ons like pickles.

Whether you're serving pre-packaged meals or fulfilling to-go orders, our souffle cups are a practical choice. Trust in their reliability and versatility for your business needs.
